11th Annual Sizzling Summer STEM Camp

D219 instructors have designed the camp sessions to immerse children in a fun, exciting learning environment using leading-edge technologies to explore hands-on STEM topics.

At D219, STEM isn't just about studying from a textbook and taking tests ... it's about experiencing and exploring. Our highly qualified teachers know that STEM education can be exciting and empowering for everyone, and we look forward to introducing some young budding scientists and engineers to the thrill of discovery.

We look forward to seeing you this summer!

The cost is only \$53 for each class!
Cost includes T-shirt, and lab supplies.
